Part III EXAMINER'S AMENDMENT

1. An Examiner's Amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R. § 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the Issue Fee.

2. The requested amendment of page 5, line 17 of the specification could not be entered, since no such phrase appears in that line. However, it is apparent that the instructions for lines 14 and 17 of the page were inadvertently reversed. Therefore, consistent with applicants' obvious intent, the application has been amended as follows (keeping in mind that the request for line 14 was entered as presented, and further recognizing that the term "is in use" obviously should be inserted after "20" rather than "telephone" in line 14):

On page 5 of the specification, in line 14, "the called station is using" has been deleted, and ---is in use--- has been inserted after "20", and in line 17, "party" has been deleted and ---station--- substituted therefor.

3. The following is an Examiner's **Statement of Reasons for Allowance**:

The claims as amended are found unobvious over the prior art of record for the reasons advanced by applicants in their remarks with the latest amendment.

Any comments applicants consider necessary must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
